

# Empty Bowls Fundraiser

The Cortland Loaves and Fishes will again have their annual “Empty Bowls Fundraiser” at the Center for Arts in Homer on Sat. Oct. 28th at 6p.m. The goal of this fundraiser is to raise awareness of hunger, both locally and worldwide. Participants can select their handmade bowl which was created by one of the many artists, teachers, and students within Cortland County. A simple meal of soup and salad is also provided by local restaurants and individuals. Pottery, all of which is donated by local artists, is given as door prizes and auctioned during the event. McGraw HS students have also each made and donated a bowl for this very important event.
